the Record is playing

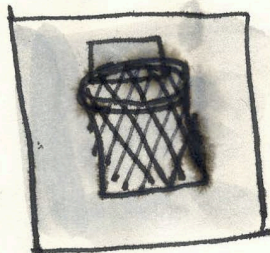

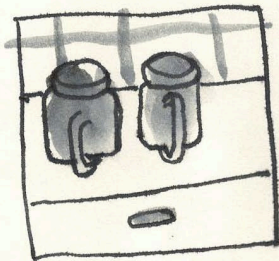

the music flows out the window

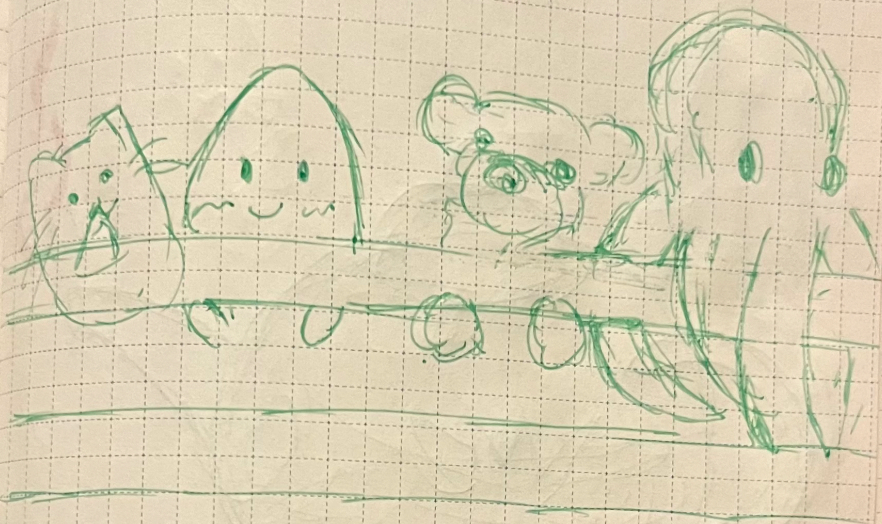

But we are still in the room

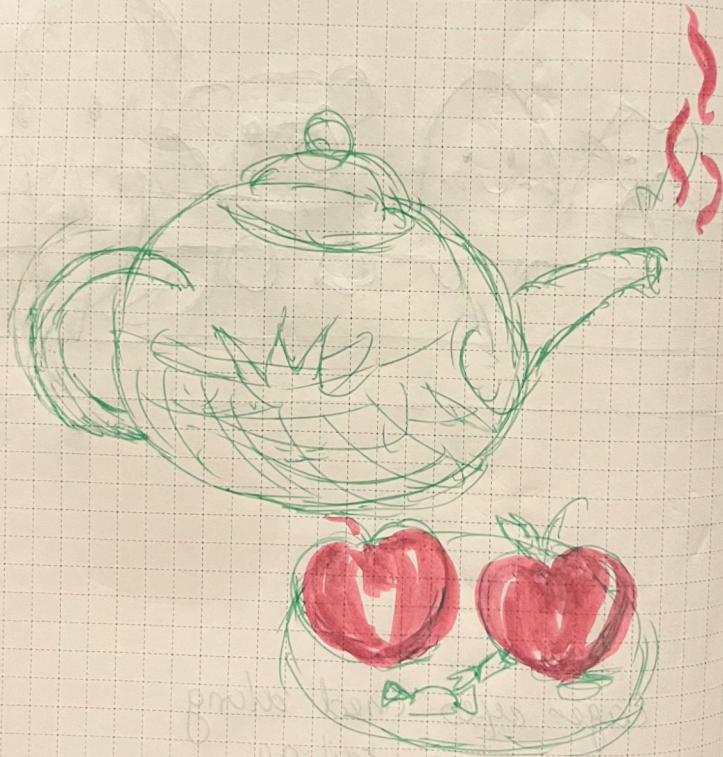

Until the song has ended.

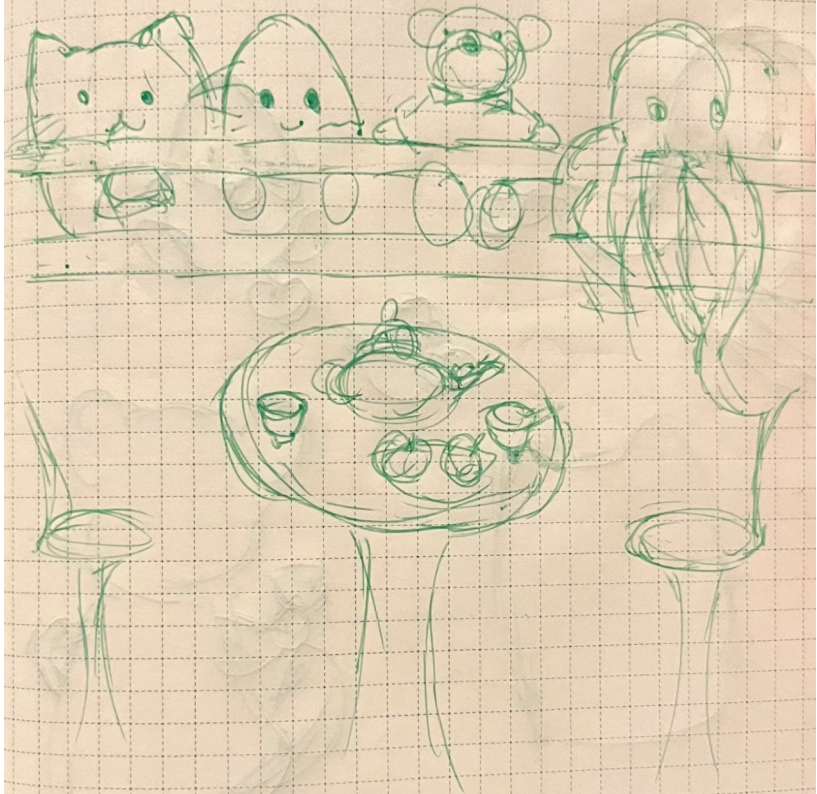

Eager eyes lined along
a railing

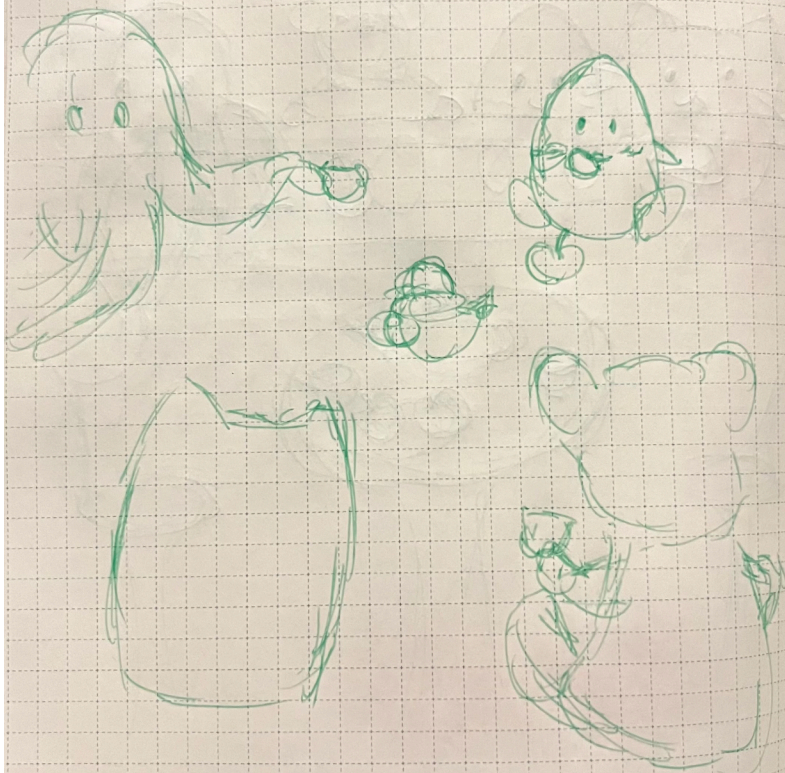

They gaze upon the luscious
snacks & steaming pot of tea.

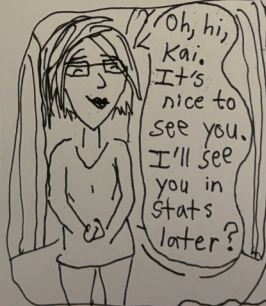

Where are the guests?

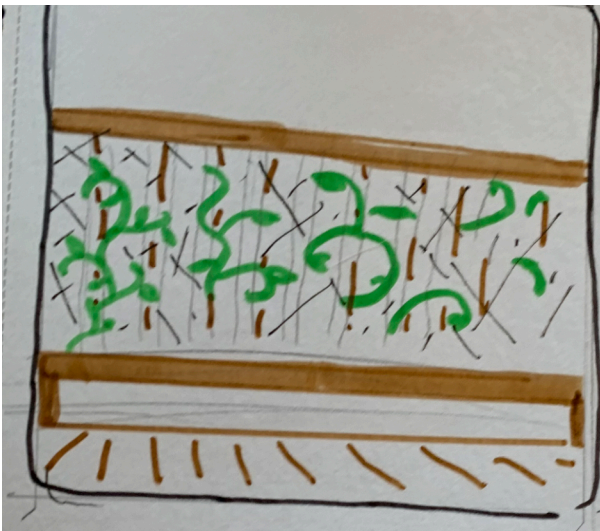

As it finally, there chance to
have a tea party.

The HOA
wants me
to remove
the lattice
with fake
leaves from
my balcony

They wrote
me an ~~email~~ ^{Letter}
that said the
lattice
violated the
CC and R
forbidding
structural
changes to
the common
area (not my
balcony)

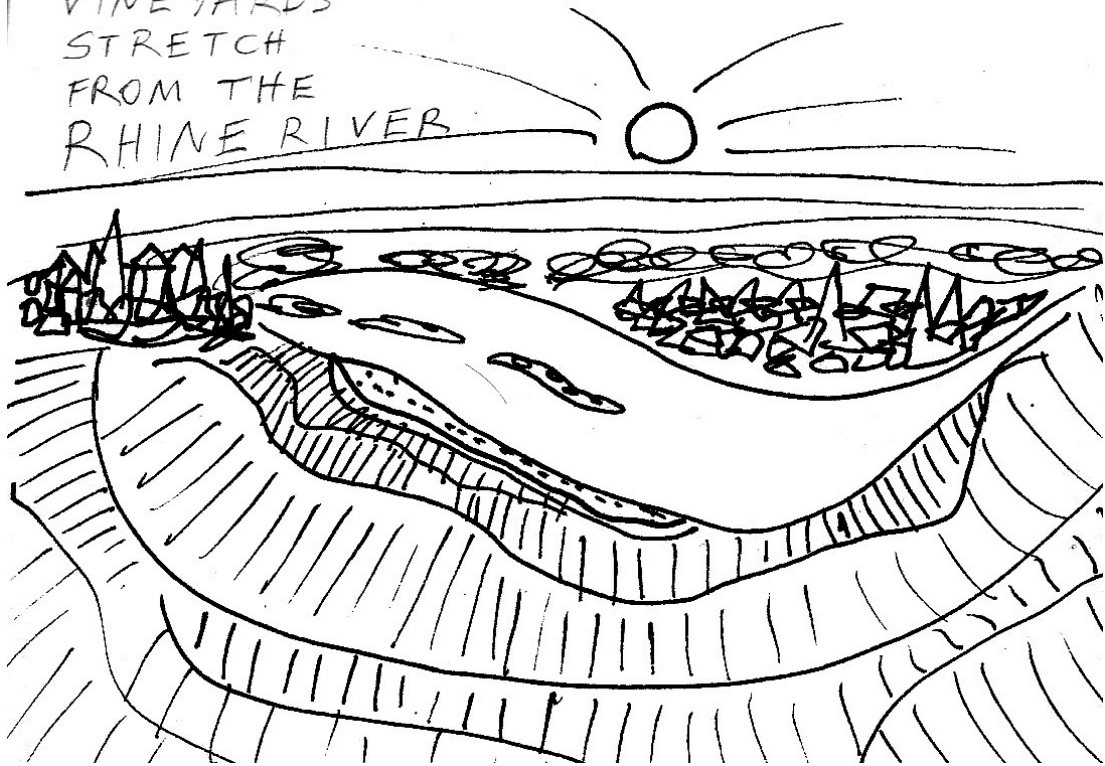

What
the?

I lay

The next day, I toned down the email & sent it, but I removed the venom & let go of the outcome.

Time to Fly

DRAWING BY MICHAEL WOO 20 SEPTEMBER 2024

Weather cooling.

Time to think about flying south.

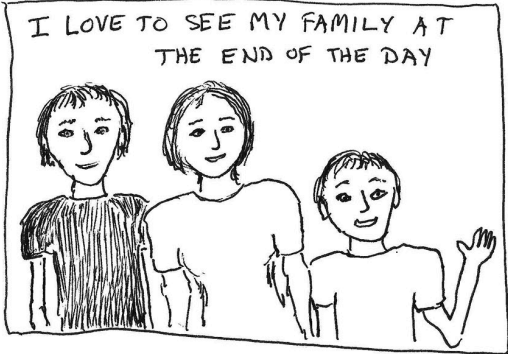

Will I remember the way?

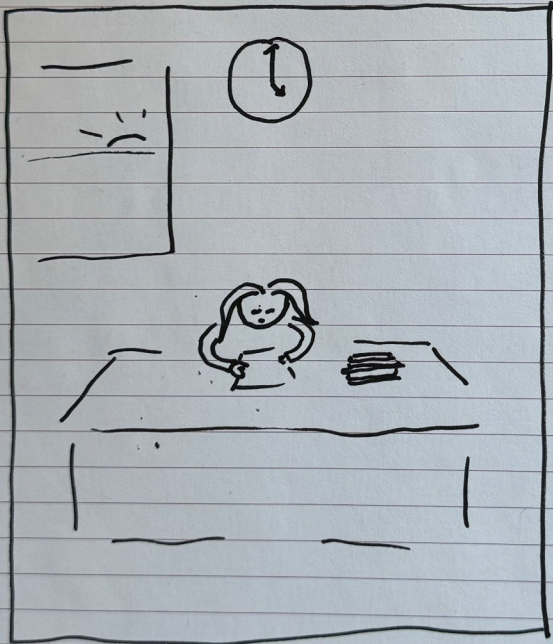

They look like they know what they're doing.

SAW Friday Night Comics

w/ Yao Xiao September 20, 2024 C. Seidel

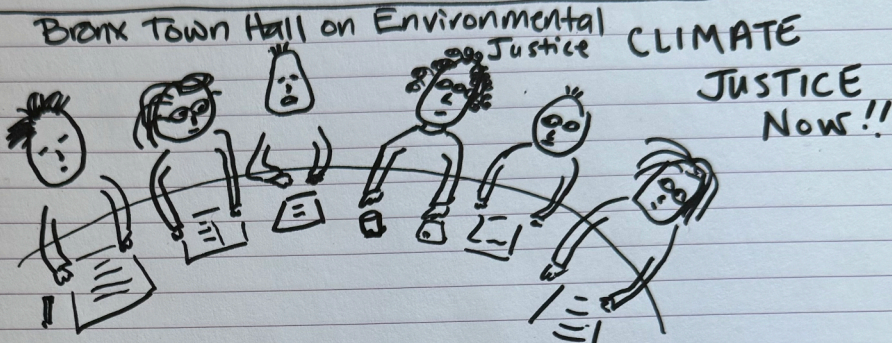

It's late and I'm
tired but I said
I would go to
a thing.

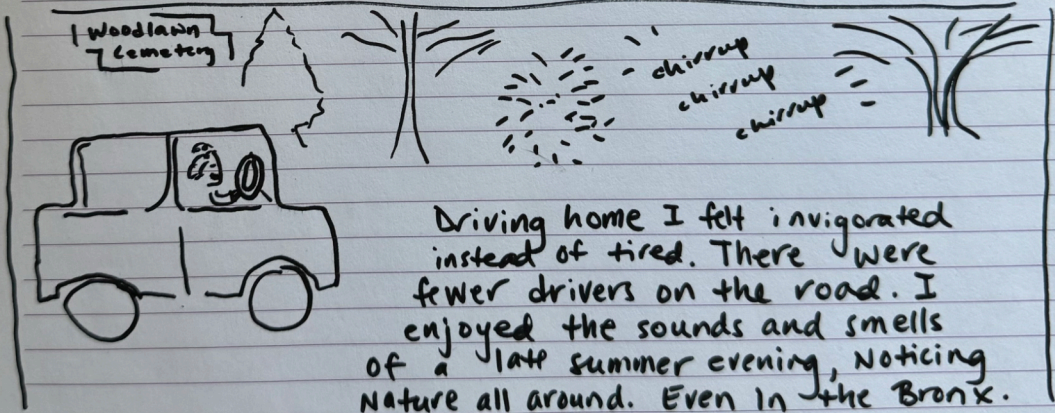

I hate driving
across the
Bronx,
especially at
rush hour.
I am cranky
and there are
a million cars.

We
Deserve
clean
Air!!

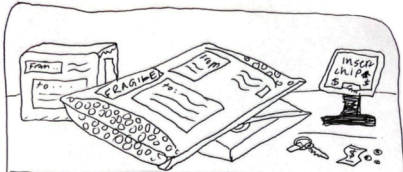

But then I got there and
everyone was so friendly
and welcoming and
passionate about the environment!!

Driving home I felt invigorated instead of tired. There were fewer drivers on the road. I enjoyed the sounds and smells of a late summer evening, noticing nature all around. Even in the Bronx.

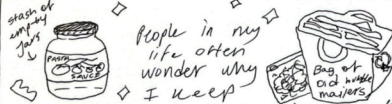

Resourcefulness by Jeb K.

I shipped out and received some packages today, it was so exciting

I love that packages can be whatever you want them to be! You can reuse old boxes, mailers, bubblewrap, paper, stickers, or anything that'll do the job

People in my life often wonder why I keep everything

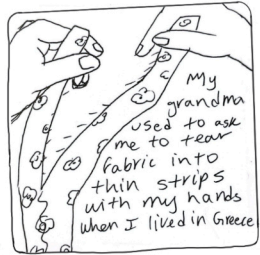

stash of supplies for you

colored paper scraps

Blank sheets of paper to scribble on

salvage supplies & scraps

2 pieces of fabric & wood scraps

My grandma used to ask me to tear fabric into thin strips with my hands when I lived in Greece

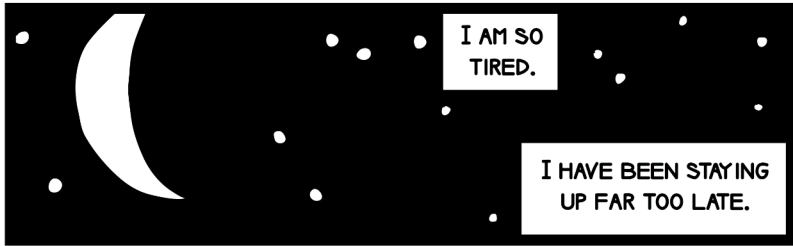

We used the scraps to tie up the tomatoes in her garden

they were the envy of the town

evil eye

I AM SO
TIED.

I HAVE BEEN STAYING
UP FAR TOO LATE.

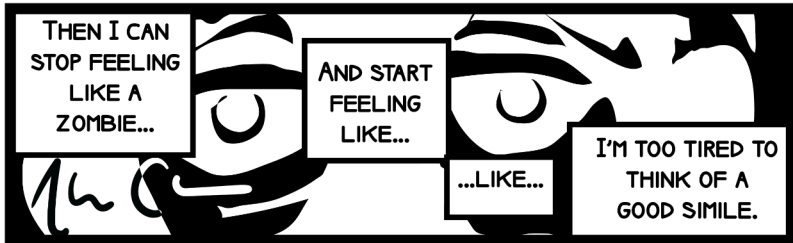

I DON'T KNOW
WHEN I LAST
GOT TO BED
BEFORE
MIDNIGHT.

EVERY NIGHT I
INTEND TO... AND
EVERY NIGHT I
STAY UP WORKING
ON SOMETHING.

TONIGHT I
HAVE TO
BREAK THE
CYCLE!

TONIGHT I
HAVE TO GET
SOME *SLEEP!*

THEN I CAN
STOP FEELING
LIKE A
ZOMBIE...

AND START
FEELING
LIKE...

...LIKE...

I'M TOO TIRED TO
THINK OF A
GOOD SIMILE.
