LONG HAUL TRAVEL AND OVERNIGHT DELUSIONS

When you get home, you're going to dump your luggage, leave it unpacked and not even bother to wash your clothes for about a week. You'll then spend the next 8 hours playing Nintendo Switch (The Legend of Zelda: Echoes of Wisdom), consider setting up a scheduled email to be sent first thing on Monday -- but will not. You'll then proceed to eat too many high in sodium crisps, fall asleep at 7pm, wake up dehydrated at 3am, fall asleep again and then wake up tomorrow and repeat it all over again.

Dang... Touché.
