the bat comes in
a visitation

And it calls all
the animals and
creatures!!

And all the animals
rise to the tower

And the creatures
are welcomed in to
the great wamb

This cloud fabric is
Amazing! It is so warm &
reflects the sun to keep you
cool in the daytime

Oh! You can fly with it.
I wonder if I have any control!

yes! I simply have
to imagine where I want to
go & I'm heading there

It also has the capacity
to hide me ~~you~~
