Plants spread.
They multiply.

Space in the garden
remains constant.

So I dig up.
I divide.

I donate to
plant sales

and offer-up
to neighbors

But neighbors
are neighborly...

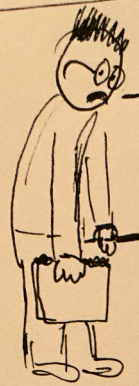

they want to
reciprocate.

I LEAD AN INTERESTING LIFE

Who the sweet fancy hex
wants to hear about me
going to Costco

or taking my
sophistic daughter

Screw

or scrambling to finish
some dull report for
the LSC

or doomscrolling

It's a good thing I keep my many crushes
to myself, invisible to others.

... Oopsie! I think staying up to 8:30AM,
finishing up my response to her video
episode on the original "Nightstalker"
movie, with Darren McGavin, in a crazy-
long email, illustrated with previously-drawn
cartoons... has tipped my hand of cards,
to Sally the Zombie Cheerleader, smart,
funny horror host, and her plushie co-host,
Skelicat. Now what?
