BARK

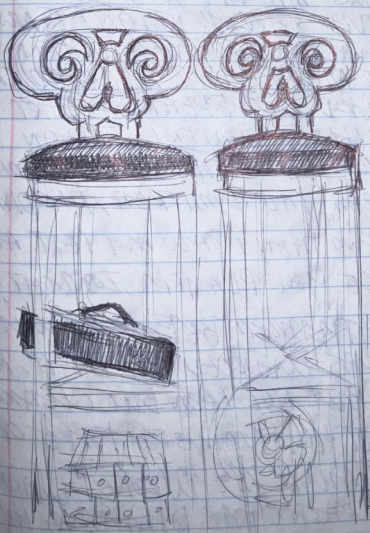

I've been stuck at home, since December. I was an "essential worker," during the COVID lockdown, so bed bugs banning me from work has been a new experience. Even with enough clutter to fill a 30-foot freight container, in my front yard, and out of my way, I still have out-of-control clutter, all shelves and tables already full. "Draw one thing"? I CAN'T!

... And with the 9"x12" "Visual Journal(s)" sold out, after ordering, I have to scramble to get paper for Inktober.
